Preis der Sterblichkeit. Christentum und Neuer Humanismus

Price/Prize/Praise of Mortality. Christianity and New Humanism

Abstract

This volume pursues the question of Christianity's contribution to a new humanism. It tries to introduce a view of the mortality, fragility and vulnerability of life as starting points of its transcendence. Time, language, modern symbolic order and prayer will be analyzed as they enter into a dialogue with the Bible, Hegel and Musil.

Keywords

New Humanism, Christianity and New Humanism, Hegel´s Phenomenology of Spirit, Hölderlin, Musil´s Man Without Quality, Lacan, Philosphy of Time, Eschatology, Mortality and Eternal Life
